

ADOPTION APPLICATION

Thank you for your interest in adopting a cat from Love and Hope Animal Sanctuary, Inc. (the "Sanctuary"). To assist us in finding the best cat or kitten, we ask you complete this Application. We also ask that, if you are considering adopting kittens, they be adopted in pairs, as we believe that having a companion makes for healthier and better adjusted cats.

Although, we do not require a donation to the Sanctuary for an adoption, we would appreciate your making one in whatever amount you believe appropriate to further our mission to provide shelter, food, care and medical treatment for unwanted and rescued cats.

If you are interested in a particular cat at the Sanctuary, please provide its name:
_____.

The completion of this Application is the first step in the adoption process. To proceed, you authorize the Sanctuary to contact all veterinarians and references listed by you. You also consent to representatives of the Sanctuary visiting your residence. We may deny your application for adoption for any reason and will not have any obligation to explain our reasons to you.

If you adopt a cat/kittens from the Sanctuary, you agree that:

1. You will keep the cat indoors. The reason for this is to assure that the cat does not contract FIV or another contagious disease from other animals or is not otherwise injured.
2. You will not give the cat to anyone else or sell it.
3. You will provide proper shelter, food and medical care and humane treatment at all times for the cat.
4. The cat will be a companion animal only.
5. In the event you are unable to keep the cat, you will return it to the Sanctuary.

The above information is true and correct and, if I am approved by the Sanctuary to adopt a cat/kittens, I agree to the above requirements.
